

Court of Appeals, State of Michigan

ORDER

People of MI v Johnny Tippins

Docket No. 297051

LC No. 02-001578

Karen M. Fort Hood
Presiding Judge

Michael J. Talbot

Christopher M. Murray
Judges

The Court orders that the motion to waive fees is GRANTED for this case only.

The Court further orders that, because defendant previously appealed his convictions as of right, he could seek relief in the circuit court only under the procedures provided by Subchapter 6.500 of the Michigan Court Rules. Accordingly, this Court examined defendant's application seeking leave from the circuit court's denial of his motion to disqualify the judge at his 2002 trial under the standards set forth in MCR 6.508(D).

The Court orders that the application for leave to appeal is DENIED because defendant has failed to meet the burden of establishing entitlement to relief under MCR 6.508(D).
